OPNAV INSTRUCTION 4910.1B

From: Chief of Naval Operations

Subj: Military Assistance Articles and Services List;
updating of

Ref: (a) DOD Military Assistance Articles and Services
List (MASL) (NOTAL)
(b) DOD Military Assistance and Sales Manual (MASM),
Part I, Chapter H (NOTAL)
(c) OPNAV Instruction 4950.1G

1. Purpose. To provide guidance and assign responsibilities for the updating of Department of the Navy (DON) cognizance articles, services and training listed in reference (a).

2. Scope. This instruction applies to all Navy and Marine Corps activities contributing price and availability data for articles, services and training for transfer under Security Assistance programs.

3. Cancellation. OPNAVINST 4910.1A.

4. Information. Reference (b) prescribes procedures for the use and updating of the MASL. The MASL provides:

a. Information for planning and programming resources (materiel, services and training) under the Military Assistance Program (MAP) and the International Military Education and Training Program (IMETP).

b. The structure of Automated Data Processing (ADP) accounting and reporting for the MAP, IMETP and the Foreign Military Sales (FMS) program.

c. The MASL consists of two component publications: training (of which there are four separate publications: IMETP, FMS (IMET), FMS (North Atlantic Treaty Organization (NATO)), and FMS (Full)) and materiel. The MASL for training is published as required. The MASL for articles and services other than training is published semi-annually. The MASLs are distributed to the unified commands, Military Assistance and
